SKETCH YOUR BIRD OBSERVATION HERE

BIRD INFORMATION:

Species: ☐ male ☐ female
Date and Time seen:

When seen in this region, this species of bird is considered:

☐ Migrant ☐ Summer ☐ Winter ☐ Year-Round

Location, Environment, and Habitat Observations:

BIRD FEEDING OBSERVATIONS AND INFORMATION:

Feeding Habitat:

Types of Food: (determine at least two different types)

BIRD CALL OR SONG IDENTIFICATION AND OBSERVATIONS:

Describe the call or song of this bird: (phonetically spell it out)

Behavior observations of bird when making the call / song:

Why do you think the bird was making the call / song at this time?

SKETCH YOUR BIRD OBSERVATION HERE

BIRD INFORMATION:

Species: ☐ male ☐ female
Date and Time seen:

When seen in this region, this species of bird is considered:

☐ Migrant ☐ Summer ☐ Winter ☐ Year-Round

Location, Environment, and Habitat Observations:

BIRD FEEDING OBSERVATIONS AND INFORMATION:

Feeding Habitat:

Types of Food: (determine at least two different types)

BIRD CALL OR SONG IDENTIFICATION AND OBSERVATIONS:

Describe the call or song of this bird: (phonetically spell it out)

Behavior observations of bird when making the call / song:

Why do you think the bird was making the call / song at this time?

SKETCH YOUR BIRD OBSERVATION HERE

BIRD INFORMATION:

Species: ☐ male ☐ female
Date and Time seen:

When seen in this region, this species of bird is considered:

☐ Migrant ☐ Summer ☐ Winter ☐ Year-Round

Location, Environment, and Habitat Observations:

BIRD FEEDING OBSERVATIONS AND INFORMATION:

Feeding Habitat:

Types of Food: (determine at least two different types)

BIRD CALL OR SONG IDENTIFICATION AND OBSERVATIONS:

Describe the call or song of this bird: (phonetically spell it out)

Behavior observations of bird when making the call / song:

Why do you think the bird was making the call / song at this time?

SKETCH YOUR BIRD OBSERVATION HERE

BIRD INFORMATION:

Species: ☐ male ☐ female
Date and Time seen:

When seen in this region, this species of bird is considered:

☐ Migrant ☐ Summer ☐ Winter ☐ Year-Round

Location, Environment, and Habitat Observations:

BIRD FEEDING OBSERVATIONS AND INFORMATION:

Feeding Habitat:

Types of Food: (determine at least two different types)

BIRD CALL OR SONG IDENTIFICATION AND OBSERVATIONS:

Describe the call or song of this bird: (phonetically spell it out)

Behavior observations of bird when making the call / song:

Why do you think the bird was making the call / song at this time?

SKETCH YOUR BIRD OBSERVATION HERE

BIRD INFORMATION:

Species: ☐ male ☐ female
Date and Time seen:

When seen in this region, this species of bird is considered:

☐ Migrant ☐ Summer ☐ Winter ☐ Year-Round

Location, Environment, and Habitat Observations:

BIRD FEEDING OBSERVATIONS AND INFORMATION:

Feeding Habitat:

Types of Food: (determine at least two different types)

BIRD CALL OR SONG IDENTIFICATION AND OBSERVATIONS:

Describe the call or song of this bird: (phonetically spell it out)

Behavior observations of bird when making the call / song:

Why do you think the bird was making the call / song at this time?

SKETCH YOUR BIRD OBSERVATION HERE

BIRD INFORMATION:

Species: ☐ male ☐ female
Date and Time seen:

When seen in this region, this species of bird is considered:

☐ Migrant ☐ Summer ☐ Winter ☐ Year-Round

Location, Environment, and Habitat Observations:

BIRD FEEDING OBSERVATIONS AND INFORMATION:

Feeding Habitat:

Types of Food: (determine at least two different types)

BIRD CALL OR SONG IDENTIFICATION AND OBSERVATIONS:

Describe the call or song of this bird: (phonetically spell it out)

Behavior observations of bird when making the call / song:

Why do you think the bird was making the call / song at this time?

SKETCH YOUR BIRD OBSERVATION HERE

BIRD INFORMATION:

Species: ☐ male ☐ female
Date and Time seen:

When seen in this region, this species of bird is considered:

☐ Migrant ☐ Summer ☐ Winter ☐ Year-Round

Location, Environment, and Habitat Observations:

BIRD FEEDING OBSERVATIONS AND INFORMATION:

Feeding Habitat:

Types of Food: (determine at least two different types)

BIRD CALL OR SONG IDENTIFICATION AND OBSERVATIONS:

Describe the call or song of this bird: (phonetically spell it out)

Behavior observations of bird when making the call / song:

Why do you think the bird was making the call / song at this time?

SKETCH YOUR BIRD OBSERVATION HERE

BIRD INFORMATION:

Species: ☐ male ☐ female
Date and Time seen:

When seen in this region, this species of bird is considered:

☐ Migrant ☐ Summer ☐ Winter ☐ Year-Round

Location, Environment, and Habitat Observations:

BIRD FEEDING OBSERVATIONS AND INFORMATION:

Feeding Habitat:

Types of Food: (determine at least two different types)

BIRD CALL OR SONG IDENTIFICATION AND OBSERVATIONS:

Describe the call or song of this bird: (phonetically spell it out)

Behavior observations of bird when making the call / song:

Why do you think the bird was making the call / song at this time?

SKETCH YOUR BIRD OBSERVATION HERE

BIRD INFORMATION:

Species: ☐ male ☐ female
Date and Time seen:

When seen in this region, this species of bird is considered:

☐ Migrant ☐ Summer ☐ Winter ☐ Year-Round

Location, Environment, and Habitat Observations:

BIRD FEEDING OBSERVATIONS AND INFORMATION:

Feeding Habitat:

Types of Food: (determine at least two different types)

BIRD CALL OR SONG IDENTIFICATION AND OBSERVATIONS:

Describe the call or song of this bird: (phonetically spell it out)

Behavior observations of bird when making the call / song:

Why do you think the bird was making the call / song at this time?

SKETCH YOUR BIRD OBSERVATION HERE

BIRD INFORMATION:

Species: ☐ male ☐ female
Date and Time seen:

When seen in this region, this species of bird is considered:

☐ Migrant ☐ Summer ☐ Winter ☐ Year-Round

Location, Environment, and Habitat Observations:

BIRD FEEDING OBSERVATIONS AND INFORMATION:

Feeding Habitat:

Types of Food: (determine at least two different types)

BIRD CALL OR SONG IDENTIFICATION AND OBSERVATIONS:

Describe the call or song of this bird: (phonetically spell it out)

Behavior observations of bird when making the call / song:

Why do you think the bird was making the call / song at this time?

SKETCH YOUR BIRD OBSERVATION HERE

BIRD INFORMATION:

Species: ☐ male ☐ female
Date and Time seen:

When seen in this region, this species of bird is considered:

☐ Migrant ☐ Summer ☐ Winter ☐ Year-Round

Location, Environment, and Habitat Observations:

BIRD FEEDING OBSERVATIONS AND INFORMATION:

Feeding Habitat:

Types of Food: (determine at least two different types)

BIRD CALL OR SONG IDENTIFICATION AND OBSERVATIONS:

Describe the call or song of this bird: (phonetically spell it out)

Behavior observations of bird when making the call / song:

Why do you think the bird was making the call / song at this time?

SKETCH YOUR BIRD OBSERVATION HERE

BIRD INFORMATION:

Species: ☐ male ☐ female
Date and Time seen:

When seen in this region, this species of bird is considered:

☐ Migrant ☐ Summer ☐ Winter ☐ Year-Round

Location, Environment, and Habitat Observations:

BIRD FEEDING OBSERVATIONS AND INFORMATION:

Feeding Habitat:

Types of Food: (determine at least two different types)

BIRD CALL OR SONG IDENTIFICATION AND OBSERVATIONS:

Describe the call or song of this bird: (phonetically spell it out)

Behavior observations of bird when making the call / song:

Why do you think the bird was making the call / song at this time?
