Requirements Insight

Note: The requirements for this merit badge are written to be done at home under the supervision of a parent, guardian, or the counselor. The in-person class will make every effort to address as many of them as possible; however, time, available materials, and the facility may limit what can be completed during the class.

IN-PERSON CLASS: Safety Expectations: This merit badge involves activities with a higher level of risk, so strict adherence to safety guidelines and instructor directions is required at all times. Scouts who are unable to follow these expectations will be dismissed from the class, forfeit participation fees, and may not continue in other event activities for the remainder of the day. The instructor's decision is final. A parent or guardian will be asked to promptly pick up their Scout if dismissal is necessary.

Requirement(s)	Expectations
1 and 7	If you have prepared ahead of time, you will be able to complete these requirements during the class. • Time will be allotted for those Scouts who have prepared to share their work for completion consideration.
2, 3, 4, 5, and 6	<u>ONLINE CLASS:</u> These requirements will need to be done at home prior to the class, under the supervision of a parent or guardian. • Before-and-after photos of each project are the best way to show your work. A note from the supervising parent or guardian is also helpful.
	<u>IN-PERSON CLASS:</u> The instructor / counselor will work through as many of these projects as possible during the class. • Time, available materials, and the facility may limit how many options can be offered, so not every option can be guaranteed. • Scouts who complete projects at home ahead of time should bring before-and-after photos and a note from the supervising parent or guardian for sign off consideration.
