Requirements Insight

Requirement(s)	Expectations
1, 2, and 5	If you have prepared ahead of time, you will be able to complete these requirements during the class. • Time will be allotted for those Scouts who have prepared to share their work for completion consideration. • For Requirement 5, options 5b and 5d must be done outside of the class; bring photos or notes as proof.
3 and 4	The majority of class time will be spent on leather project work. • The instructor / counselor will help facilitate the project work and coach technique and skill development during the class. • No guarantee of completion is promised or implied, as each of these requirements requires a level of skill that may not be reached during the class. • Additionally, while the majority of the class will focus on project work, it cannot be guaranteed that Scouts will finish their project work within the allotted class time. Every reasonable effort to complete will be made.
