Requirements Insight

Requirement(s)	Expectations
1, 2, 3, 4 (discussion parts), 6, and 8	If you have prepared ahead of time, you will be able to complete these requirements during the class. • Time will be allotted for those Scouts who have prepared to share their work for completion consideration.
4 (demonstration parts)	Running warm-up, cool-down, and drills will be demonstrated during the class. • Only Scouts who successfully demonstrate these to the counselor's satisfaction will be signed off.
5	Your four-week training plan must be established with guidance from your counselor and completed before final sign off. • Bring your charts, logs, or other documentation showing your progress for review with the counselor. • It is not enough to simply say you have done the requirement; show proof. • Scouts who have not finished the full time period may share their progress for guidance; sign off will happen once the requirement is complete.
7	This requirement will NOT be covered during the class. • This must be done after completing Requirements 1-6, with all activities on the same day and consecutively. Bring proof (times, photos, a note from the supervising adult).
