

Expectations

1. Read and Review ALL requirements prior to the class.
2. Active interaction / participation is expected and mandatory.
3. Share in your own words – avoid reading your answers.
4. Pay attention to the action verbs.
5. Bring proof of completion (even partially completed work).
6. A positive Scouting focus and attitude
7. Scout uniform.

Remember to Bring

1. Your Scouting Member ID (formerly BSA ID – **NOT** your Scoutbook ID) or your merit badge blue card properly filled out and signed off by your Unit Leader or authorized designee.
2. Notes and questions from reading the Soil and Water Conservation merit badge pamphlet.
3. Supporting documentation or project work pertinent to this merit badge that may also include a merit badge workbook for reference with notes.

Requirements Insight

Requirement(s)	Expectations
1, 2, 3, 4, 5a, 5c, 5d, 5e, and 6	If you have prepared ahead of time, you will be able to complete these requirements during the class. • Time will be allotted for those Scouts who have prepared to share their work for completion consideration.
5b	This requirement will be done as a part of the class. • Scouts are encouraged to try a percolation experiment and capillary-action experiment at home in preparation for the discussion and activity the instructor / counselor will facilitate during the class.
7	Read these points carefully and completely. • Scouts will need to choose at least one of these and complete ahead of time with the exception of 7e • Scouts are encouraged to prepare ahead of time for discussion on requirement 7e. Time will be allotted for class discussion on requirement 7e and sign-off consideration.
